Confidential Investigations & Fact-Finding Worldwide

Investigative Resources International (IRI) is a professional private investigation company providing comprehensive investigation services since 1987. We are committed to providing innovative and effective risk management solutions to our clients. All matters are held in strict confidence.

IRI provides both domestic and international life and disability insurance claim investigations. IRI's life claim investigation services include:

- Verifications
- Contestable Investigations
- Accidental
- Fraudulent Claims
- Disappearance
- Homicide/Suicide
- Background Histories
- Interviews/Statements
- Evidence Documentation
- Surveillance/Activity Checks
- Medical Records
- Public Records

IRI conducts extensive fraudulent insurance claim investigations and is accustomed to providing investigative assistance to special investigative units or counsel. IRI insurance investigators possess decades of experience and have established a proven reputation in the industry for exposing fraudulent applications and claims.

IRI places an emphasis on case management. Insurance claim investigation assignments made to IRI are controlled by a strict case management process.

IRI is staffed by, and associated with, well-educated, seasoned investigative professionals and attorneys utilizing contemporary sources and methods to achieve successful results.

Expertise of IRI investigators include language skills, overseas work experience, as well as knowledge and understanding of United States and international law.

IRI maintains a network of correspondent offices and professional associates in most developed and developing countries.

IRI's international associates include professional investigators and attorneys/barristers with extensive contacts and experience in their respective locales.

International Claim Verification and Investigation Services are provided on a worldwide basis.
